[Gogo Business Aviation Scholarship](#)

Established in April 2012, the Gogo Business Aviation scholarship was created through a donation valued at more than \$50,000 to the AEA Educational Foundation, providing a \$2,500 annual scholarship for a 20-year period to an aspiring avionics or aircraft maintenance technician. Aircell is a provider of in-flight connectivity for business aviation. The Gogo Business Aviation scholarship is presented each year to a high school senior and/or college student who plans to attend, or is already attending, an accredited school in an avionics or aircraft repair program.
